An aerial photograph of Queenstown, New Zealand, showcasing its stunning natural beauty. The image captures a vast, deep blue lake that winds through the landscape. In the foreground, a town with numerous buildings and a parking lot is visible, situated on a peninsula. The middle ground features a large island covered in snow and evergreen trees. The background is dominated by majestic, rugged mountains with significant snow cover under a bright blue sky with scattered white clouds. A paraglider is seen in the distance on the right side of the lake.

Queenstown
